

7th Consciousness' Health Meeting & 6th Self-conscienciotherapy Symposium
– Sep 7th to 9th 2012 OIC – Foz do Iguaçu, Brazil

I. PRESENTATION:

The International Organization of Conscienciotherapy (OIC) will carry out the **7th Consciousness Health Meeting** and **6th Self-conscienciotherapy Symposium**, from September 7th to the 9th of 2012 and invites researchers of the Cosmoethic International Conscienciological Community (CCCI) to forward their consencial health and self-conscienciotherapeutic research to gather ideas. This event is open to all those interested in presenting their contributions to Conscienciotherapy and Self-conscienciotherapy theorice.

II. OBJECTIVES OF THE EVENT:

1. To promote ideas, research and relative edge truths exchanging in Conscienciotherapy and Self-conscienciotherapy and in knowledge fields related to CCCI researchers and health professionals.
2. To give opportunity of exchanging self-conscienciotherapeutic experiences and techniques to all those interested in knowing and practicing them.
3. To integrate several lines of conscienciological research with a conscienciotherapeutic approach.
4. To build relative edge truths of Conscienciotherapy and Self-conscienciotherapy as well as those of similar knowledge.
5. To promote intraconsencial recycling through self-conscienciotherapeutic qualifying.
6. To create scientific methodology to self-research of self-conscienciotherapeutic kind.
7. To present results in Clinical Conscienciotherapy.
8. To favor discussion on the applicability of conscienciotherapeutic techniques.
9. To make possible giving way to divulging and discussion of research on Consencial Health.

III. THEMES:

The materthosene of the **7th Health Meeting** and **6th Self-conscienciotherapy Symposium** is *Self-scientificity Applied on Health*.

The researcher should send the scientific paper based on the theorice approach of Conscienciotherapy and Self-conscienciotherapy or on another approach related to these sciences.

Articles with self-conscienciotherapeutic approach should preferably be related to Self-conscienciotherapy stages: (1) Self-investigation; (2) Self-diagnosis; (3) Self-facing; (4) Self-overcoming.

Articles based on other approaches should present relations, comparisons, analogies and associations with Conscienciotherapy and/or Self-conscienciotherapy.

Works will be selected according to scientificity, consenciality, research depth and coherence with the proposed theme.

IV. WORKS:

A. ARTICLE ELEMENTS

1. **Identification sheet.** Work title in English; author's full name; address; telephone/fax number; e-mail; Conscienciotcentric Institution of volunteering – time and current function; age; educational status; profession; language(s); participation in research events, mentioning the condition – student, lecturer or other.
2. **Title.** In bold and centralized.
3. **Abstract.** Short presentation up to 120 words.
4. **Key-words.** Indicate 03 to 06 key-words.
5. **Text.** Development of author's arguments.
6. **References.** Bibliography in the standard of *Homo sapiens reurbanisatus* by Waldo Vieira.

B. FORMAT

1. **Text processor:** MS-Word for Windows.
2. **Space between lines:** 1,5 cm.
3. **Font:** Times New Roman, 12.
4. **Margins:** up and left 3 cm; bottom and right, 2 cm.
5. **Page numbers:** all pages numerated at the right up, except the first (title).
6. **Sheet size:** A4.
7. **Emphatic.** Highlight emphatic phrases in Times New Roman, size 12, italic, without bold, centralized, with a space before and a space after the emphatic phrase.
8. **Extension.** Article should be up to 5000 words.

C. SENDING. Works should be sent to e-mail as an attachment to pesquisa@oic.org.br

D. PUBLISHING. Selected articles will be released on the 1st issue of the scientific magazine of the OIC that will be launched at the event.

V. DEADLINES:

1. **Final deadline** to send the articles is **February 25th 2012**.
2. Divulging date of selected works by the scientific commission of the event is **March 25th 2012**.
3. Articles will be forwarded to authors for revision, with re-sending date to be announced.

VI. GENERAL CONDITIONS

Selected works will have their copyrights conceded to the OIC.
